

2024

SECTION 2 – GENERAL POLICIES

2.1 PREVAILING POLICY

2.1.1 Any disagreements over technical questions or operations will be resolved by Mountain Home Speedway LLC or track officials. When their decision is rendered, such decision is final and binding, except provided in paragraph 1.4

2.1.2 Mountain Home Speedway LLC. or track officials will establish the length, frequency and administration of all events and programs and when their decision is rendered, that decision is final and binding and non-appeal able.

2.2 LICENSING AND REGISTRATION

2.2.1 To race in any Mountain Home Speedway LLC sanctioned racing event a driver must be at least fourteen (14) years of age to participate in non- youth classes, To race in Youth classes, driver must be twelve (12) to seventeen (17) years of age to participate participants may be approved at under 12 with prior racing experience and demonstration of skill in any class.

2.2.2 All participants are expected to have signed an application for a Mountain Home Speedway LLC competitors registration, have not been convicted of an illegal drug violation during the one year period prior to the date of application, paid the required fee, have all applicable memberships required in the class in which competing and be in good standing.

2.2.3 Mountain Home Speedway LLC reserves the right to deny a competitor's registration or revoke a lease on any number to any driver.

2.2.4 CAR NUMBERS.

Car numbers will be assigned to the participant that has completed the applicable competitors registration and who's competing car number has been properly leased, and has not requested a number that has been previously assigned to another participant in the same class.

2.2.5 VISIBILITY.

All numbers must be highly visible from the score tower to ensure proper scoring of the participant's racecar. It is MANDATORY that all cars in all the classes have numbers with minimum measurements of 18" tall and 2" wide. These numbers will be displayed on both sides of the car and must also have a number with the same dimensions on the roof of the car facing the outside of the race track for scoring purposes. Numbers must be in contrasting colors. No prismatic numbers will be allowed on the cars. If the scorers cannot read your numbers, you will be required to change them before the next race. Cars must have the same number on all parts of car. Mountain Home Speedway LLC scorers will reserve the right to request adjustments to size and color of any car numbers to assist in the ease of scoring.

2.2.6 Display of Class Sponsor Decals

Every Car is required to run the windshield class sponsor decals in order to receive payout. Each car shall install a minimum 5" tall, smooth surface mud visor the full width of the windshield opening for this purpose.

2.3 POST RACE TECH

In all classes, the top three racecars in each Main Event are required to report to the tech area. Any driver required to report to tech, immediately following the qualifying procedure and/or feature events, who:

- a. Does not go directly to the tech area, or
- b. Avoids going to the tech area, or

2024

- c. Does not remain at the tech area until inspected, or
- d. Does not meet the requirement for rules being checked

THEN: Shall be disqualified and given no points or awards for that feature.

2.4 INSPECTIONS

2.4.1 Timing and Scope of Inspection.

All racecars competing in Mountain Home Speedway LLC sanctioned racing events are subject to inspection by Mountain Home Speedway LLC, or track officials, at any time, and to any extent or degree, as determined by Mountain Home Speedway LLC., track officials, regarding the specific racecar to be inspected, and timing, scope or extent of any inspection, are final, binding and non-appealable, except provided in paragraph 1.4.1

2.4.2 Types of Inspections.

2.4.2.1 Minimum Specifications Inspections.

An inspection, usually conducted at the beginning of the racing season or a racing event, to determine whether a racecar complies with the minimum applicable chassis and body specifications and all safety requirements. Any deficiencies or rule violations discovered must be corrected before the racecar will be allowed to compete in the racing event.

2.4.2.2 Pre-Race Inspection.

An inspection, conducted in advance of a racing event, including a minimum specifications inspection, to determine whether a racecar complies with applicable chassis and body specifications, safety requirements and any other rules or specifications, in the discretion of the track officials. Any deficiencies or rule violations discovered must be corrected before the race car will be allowed to compete in the racing event.

2.4.2.3 Post Race Inspections.

An inspection, conducted after a racing event, to determine whether a racecar complies with all applicable rules and specifications, for that class of racecar, with the scope and extent of the particular items to be inspected and determined by Mountain Home Speedway LLC, or the track officials in their sole discretion.

2.4.3 Effect of Prior Inspection.

The fact that a racecar has passed a minimum specifications inspection, a pre-race inspection or any inspection at another racetrack or event, is no guarantee or assurance that the racecar will pass a post race inspection.

2.4.4 Cooperation of the Driver.

In connection with any type of inspection, the driver must cooperate with Mountain Home Speedway LLC, or track officials, to enable track officials to conduct or complete an inspection, including removing or disassembling various part or components.

2.4.5 Refusal or Termination of Inspection.

2.4.5.1 Any driver who refuses to allow a pre-race or minimum specification inspection to be conducted will not be allowed to compete in the racing event.

2.4.5.2 Any driver who refuses to allow a post race inspection, or who terminates an inspection in progress, shall be fined \$500.00, suspended for 30 days, lose all points and forfeit all money and awards for that event.

2.5 VISITING CARS

2024

2.5.1 Any visiting or cars wishing to compete in a Mountain Home Speedway LLC sanctioned event, must first fill out a competitors license application, and meet a SECTION 5 minimum specifications technical inspection regarding safety equipment.

2.5.2 A grace period of one Mountain Home Speedway LLC racing event will be allowed in regard to compliance with the class rules of competition as determined satisfactory to the Mountain Home Speedway LLC promoter. This “one race grace” will not be afforded to any participant on the first Mountain Home Speedway LLC race date of the season.

2.5.3 Purse money may be paid to cars under the “one race grace” clause at Mountain Home Speedway LLC’s discretion. Mountain Home Speedway LLC championship points will not be awarded, unless proper registration fees are paid and the participant’s car meets all of the rules and regulations pertaining to it in the respective class.
